

REMARKS

This application has been carefully reviewed in light of the Office Action dated March 27, 2008. In response to the Office Action's requirement for restriction, Applicants elect Group II, drawn to a system or composition comprising of first particle and second particles without traverse.

In view of the foregoing, it is respectfully submitted that the currently-pending claims, as herein amended, clearly define statutory subject matter. Accordingly, allowance of the currently-pending claims is now respectfully submitted to be justified, and favorable consideration is earnestly solicited.

Respectfully submitted,
